

# CASH TESTER

## CC 601

## Electronic coin counter with many possibilities

The **CC 601** counts and sorts all Euro coins from 1 cent to 2 Euro into big trays.

For all coins you can adjust separate counting stops.  
After a counting session the machine shows a report of the total value of the coins and the separate value of each coin type.

The **CC 601** is an ideal counter for retail environments !
